Early Years Centre

Monday, 9th November 2020

Dear Parents and Carers,

Remote Learning- Class 3JC

As you have already been notified your child will be required to isolate at home for 14 days and you will be required to follow the guidelines which have been sent to you in a separate letter.

While your child is at home isolating, it is really important that your child has continued access to the same learning opportunities that they would be receiving in School. As a School we do already have systems in place for this continued learning provision.

Your child's work will, from today, be placed on the Class OneNotes which can be accessed via the school learning platform. This will include Maths, English and Topic work and you will find daily Maths and English tasks online for your child to complete.

There will be a link to a Smart Notebook learning wrapper at the beginning of each week with teaching points and examples of how to set out the work. Children are already familiar with teachers using these files in school to deliver lessons. Children can navigate through the relevant pages at their own pace before completing the daily tasks.

There will be different activities to complete each day. Some will require the children to type their work directly into OneNote, other tasks will require the children to visit websites such as Education City and Purple Mash, to complete activities. Links to these websites will be provided on the OneNote page. Please ensure that your child logs on every day to complete the work set as this will be checked and monitored by your child's class teacher who will provide feedback on the work completed.

The work can be found by following the attached guidance.

Should you have any technical issues with accessing the work, please contact our technical support at onlinesupport@pheasey.org.uk.

If you do not have access to a device for your child please contact us via postbox@pheasey.org.uk so that we can organise a loan device for your child. You will be required to sign our Acceptable Use Policy.

If you have any questions for your child's Class Teacher then please email postbox in the first instance.

Yours sincerely,

Mr. P Godwin
Ed Tech Leader
