

Accessing the Learning Platform

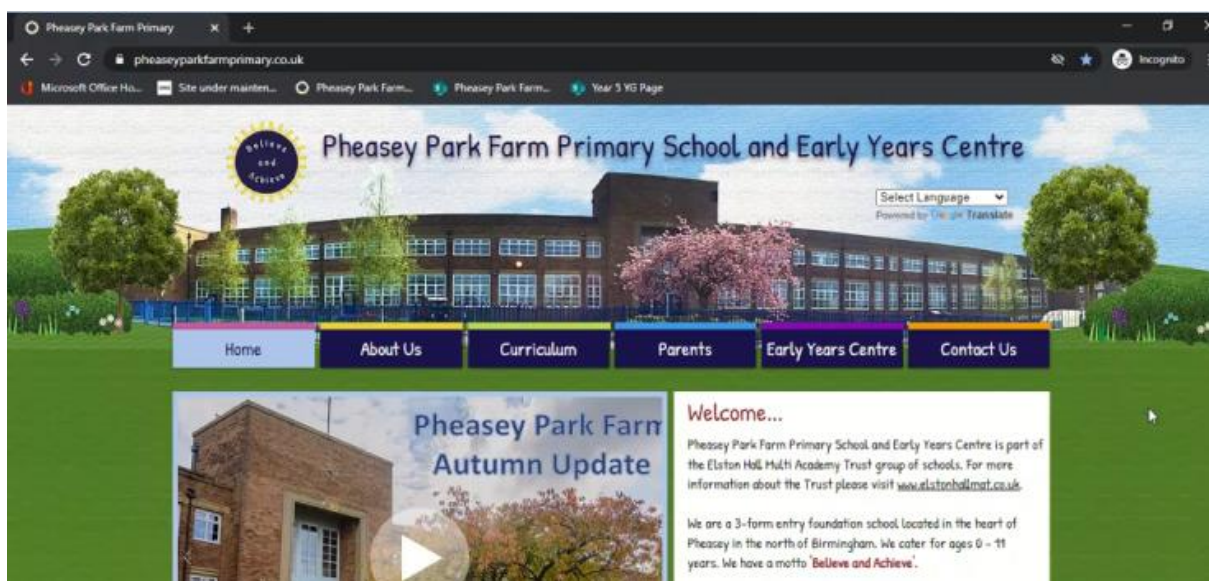

Type pheaseyparkfarmprimary.co.uk into your web browser.

If you have siblings in the household, it is advisable to do this in an incognito window. To get an

incognito window, click the three dots at the top right of your browser.

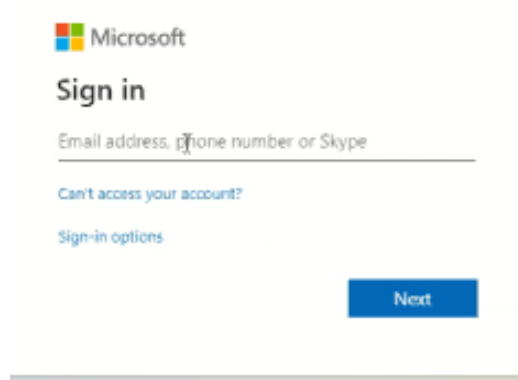

Select 'New incognito window' or 'New InPrivate window' depending on your web browser.

Scroll down the page until the 'Sign into the Learning Platform' button appears. Click the link to sign in.

Sign into the learning platform using your child's school e-mail address and password. This is the same email used to sign in at school.

Accessing the Maths Homework in OneNote

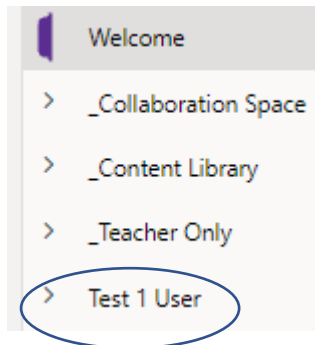

From the top menu, click on 'Year Groups' and select the correct Year Group.

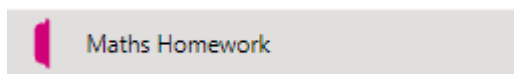

Scroll down until you see the 'links' section. Here you will find the links to the maths OneNote Notebooks. Maths homework set by your child's maths teacher will be here.

In OneNote, click on your child's name:

Select 'Maths Homework.'

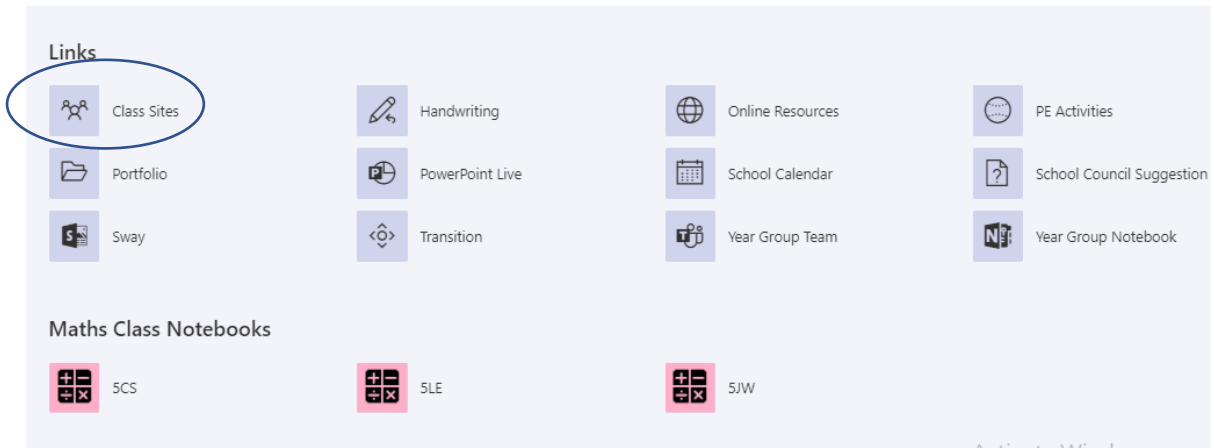

Select the date or title of the work in the middle pane and this will open the work on the right of the screen.

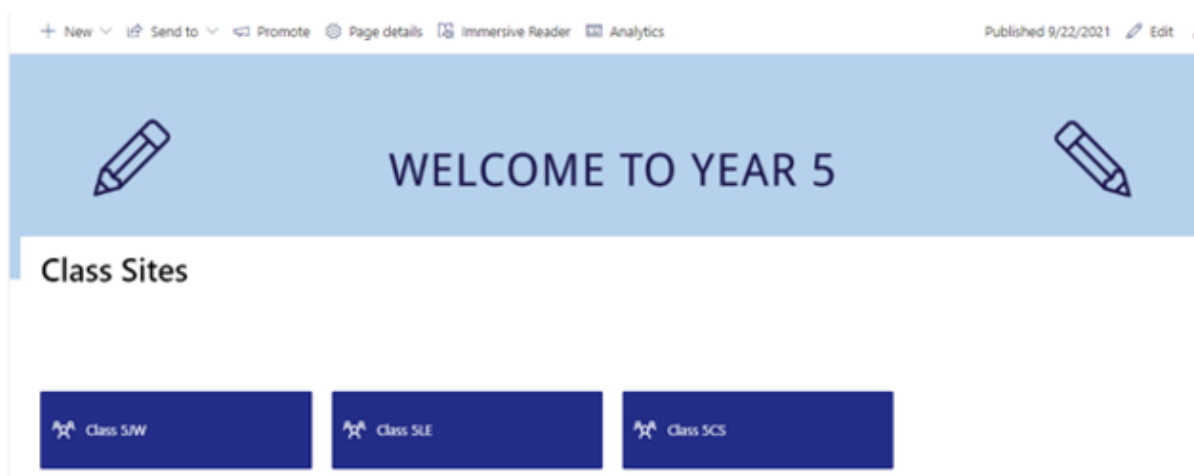

A screenshot of the OneNote interface. The left pane shows the navigation pane with 'Test 1 User' expanded and 'Maths Homework' selected. The middle pane shows a table with two columns: 'Example Homework' and '8.9.21'. The '8.9.21' cell is highlighted. The right pane shows the content for '8.9.21', which includes the date 'Wednesday, September 8, 2021 4:30 PM', the text 'Your homework this week is all about shapes.', 'Please visit your EducationCity 'MyCities' area and click 'Homework.', and 'The activity is called 'Shape Homework 12.3.21.'. Below the text is a blue link 'EducationCity Link' and a yellow star icon.

Accessing the English work in OneNote

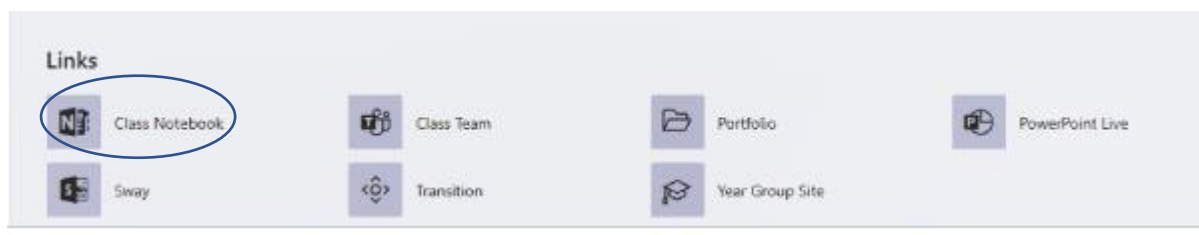

The English homework is found in the class OneNote Notebook by following the link on the class page.

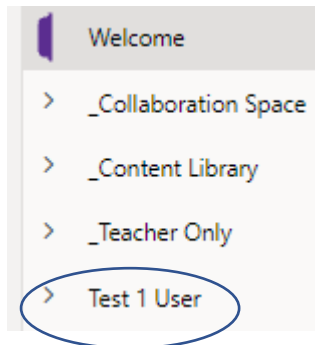

Selecting 'Class Sites' will give take you to a screen where you can select your child's class. Click on the relevant button to visit the class page.

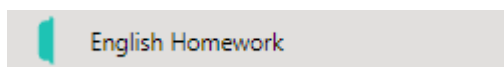

Scroll down to the 'links' section and select 'Class Notebook' to open the Notebook.

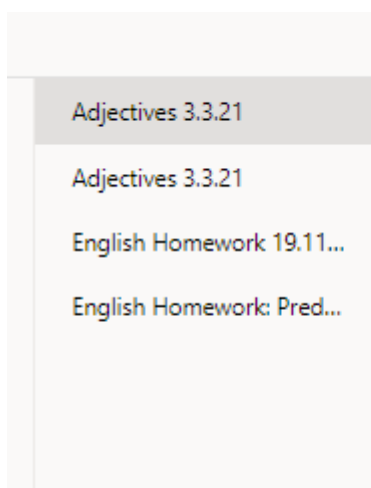

In OneNote, click on your child's name

Select 'English Homework.'

From the middle pane, select the date or title of the work and this will open in a window on the right.

Adjectives 3.3.21

Word Classes Post-Teach Activity

Today we have completed work on word classes. Can you all write a verb in the box below? Try to choose a different one to your peers!

Topics next year

Last week, when you met your new teacher, she showed you the topics that you would be studying next year. We would like to know which topic you are looking...

Announcements and Discussions for the Class

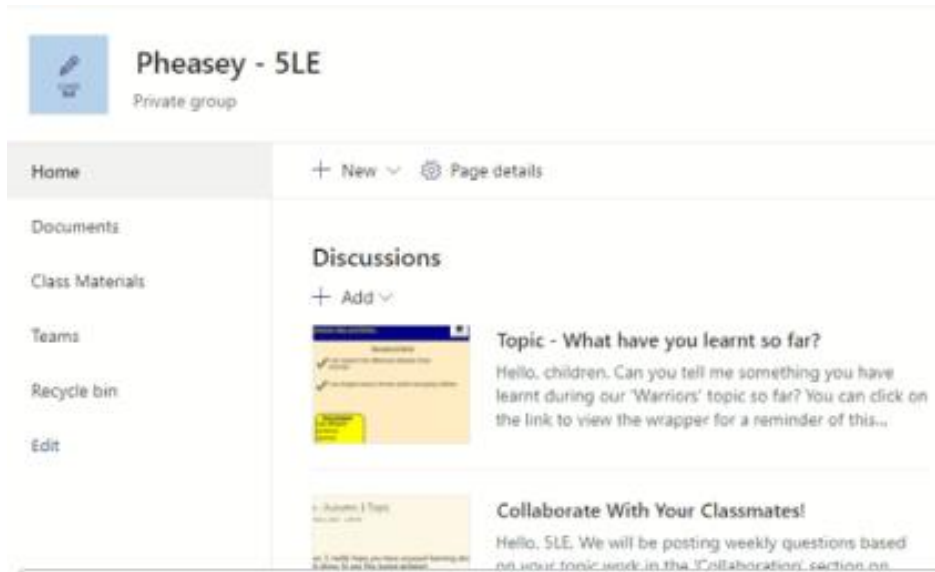

Sign into the learning platform using the steps at the top of this document.

From the top menu, click on 'Year Groups' and select the correct Year Group.

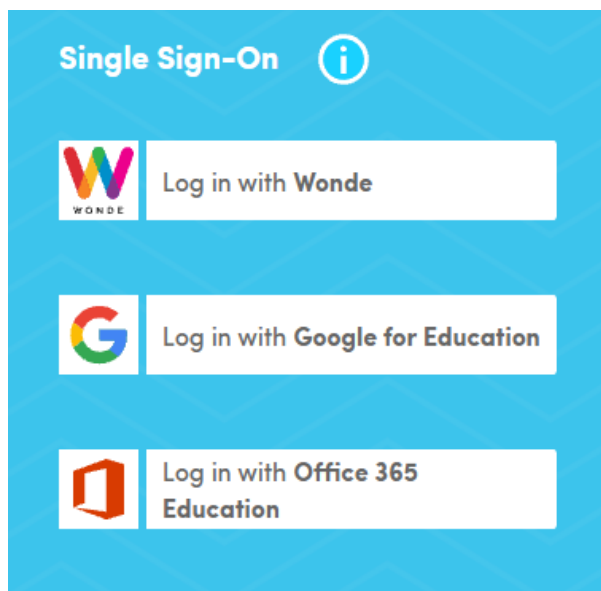

Scroll down to view the class discussions. Click on the title of the discussion to view more.

At the bottom of the discussion, children can leave a comment if this option has been turned on by the class teacher.

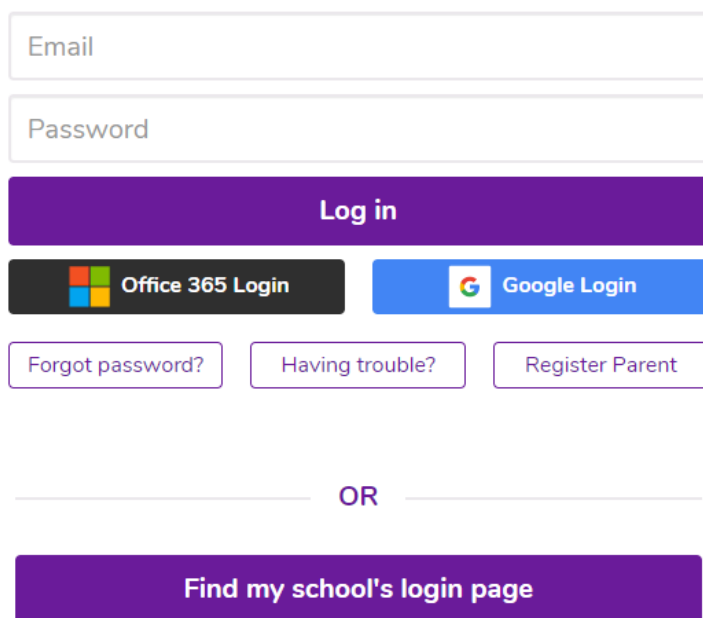

EducationCity and Purple Mash – Single Sign On

Once children are signed into the learning platform, they can choose the 'Log in with Office 365' button to sign into EducationCity automatically, without inputting their username and password.

This is also the case for Purple Mash – select 'Office 365 Login' from the login options.

A screenshot of a login form. It features two input fields: 'Email' and 'Password'. Below these is a purple 'Log in' button. Underneath are two buttons: 'Office 365 Login' (with a black background and Office 365 logo) and 'Google Login' (with a blue background and Google logo). At the bottom are three links: 'Forgot password?', 'Having trouble?', and 'Register Parent'. Below the links is a horizontal line with 'OR' in the center, and a purple button labeled 'Find my school's login page'.

If this option isn't immediately available, select 'Not my school, choose another?' on the

[Not my school, choose another?](#)

left.
