Dear Parents and Carers,

Pragmatics Group – Selected children only

Our school works closely with Speech and Language services to provide effective support for children with additional needs. We are in the fortunate position to be able to run our own school-based Pragmatics groups, which focus on social skills and communication. We think that this group will be of benefit to your child.

Pragmatics focuses on social skills, communication, turn-taking and making friends. Children play games, take part in activities focusing on emotions, follow rules, and practise initiating and maintaining conversations as part of Pragmatics.

The groups usually consist of 5-6 children with some similar needs. The children will come together for a session once a week, lasting around 50 minutes.

These Pragmatics sessions are run by Mrs Wilcox and are reviewed every half term. Sessions are beginning this week. Children will have taken part in an informal introductory session last week, to familiarise themselves with the Hedgehogs room and peers in their group.

Please contact the School Office if you would like further information about this intervention.

Thank you for your support.

Yours sincerely,

Mrs S. Mayou
SENCO

Mrs N. Wilcox
Learning Mentor
