Friday, 1st October 2021

Dear Parents and Carers,

'It's Good to Grow' campaign - Morrisons vouchers

As you may have already seen in-store or on TV, Morrisons are running their 'It's Good to Grow' campaign which will provide free gardening equipment for school.

For every £10 you spend (in store or online) at Morrisons, you'll get a Grow Token to help your school get everything they need to get growing.

We kindly ask that you download the MyMorrisons app today to start collecting Grow Tokens and choose Pheasey Park Farm as the school you would like to donate them to.

We will be able to exchange Grow Tokens for FREE gardening equipment such as gardening tools, composting bins and seeds to get growing.

I am sure that you will agree that this initiative will help build a connection between healthy food by highlighting the journey of food from field to fork.

It will also build a closer relationship between children and fruit and vegetables so they can see that it can be easy and inexpensive to grow their own produce once they have the necessary skills.

We ask that you collect the vouchers and bring them into school and hand them to your child's class teacher or drop them in the collection box at the School Office before 24th October.

Thank you for your continued support.

Yours sincerely,

A Welter

Mrs A. Welter

Eco Co-ordinator
