Dear Parents and Carers,

Online safety

We are writing to inform parents and carers about a series on Netflix that is having an impact on behaviour and choices made by some of our children in school. The series is called "Squid Games" and is rated 15 by the BBFC. From Episode One, there are scenes of gruesome and brutal violence which is not appropriate for any of our children to watch.

Some children have been talking about this series in school and some have started 'acting out' some of the games featured in it which we are actively discouraging.

As parents, you need to be aware that some of your children are accessing this programme and perhaps watching it without your knowledge, as they have told members of staff in school about it.

We would advise you to:

- keep a watchful eye on the content that your child is viewing
- ensure parental controls are activated on devices that your child can access
- set up age-appropriate child profiles on any on-demand services available in the home to prevent inappropriate content being streamed.

Thank you for your ongoing support with helping us to safeguard and look after your children.

Yours sincerely,

Mrs S. Arnold
Head Teacher
